

The Woman's Board of Northwestern Memorial Hospital presents

CABARET

Caramba!

The graphic features the word 'CABARET' in a bold, blocky font with each letter in a different color (red, pink, orange, red, orange, pink). Below it, the word 'Caramba!' is written in a white, cursive script with a black outline. The background consists of several overlapping, semi-transparent rectangular blocks in shades of orange, pink, and red. A yellow daisy flower is positioned at the end of the 'Caramba!' word, and a white teardrop shape is above it. Thin vertical lines connect the letters of 'CABARET' to the background blocks.

A big, fun cocktail party featuring legendary Chicago crooner, Johnny Vincent, Northwestern Memorial Hospital's own Music Matters, the Captivating Cabaret Trio of Kathy Sparrenberger, Rainee Denham and Rich Maisel performing beloved and decadent standards, and finally, sensational entertainers Kristin Lelm and Jeremy Bell at dueling pianos inviting you to sing along!

Join us in celebrating the Nora Cooney Marra Outreach Program and its support this year of The Healing Boutique. This unique and wonderfully supportive service within the hospital provides wigs, turbans, make-up instruction and cosmetic support to patients going through cancer treatment.

For 120 years, The Woman's Board of Northwestern Memorial Hospital has been dedicated to helping the hospital become one of the nation's pre-eminent academic medical centers—a place that prioritizes its 'Patients First' mission and compassionate care for every patient.
