September 2018 Calendar Listing

The Woman's Board of Northwestern Memorial Hospital to Host
A Night Under the Big Top on September 7, 2018

Chicago (July 11, 2018) -- The Woman's Board of Northwestern Memorial Hospital is proud to present A Night Under the Big Top benefitting *the greatest hospital on earth* on September 7, 2018. Funds raised will support the Evergreen Invitational Grants Initiative, which funds programs which have been historically underfunded to benefit low-income women, infants and girls. These grants have provided \$4.3 million to 82 initiatives that advance the patient-centered mission and improve health outcomes for women of all ages.

Guests are invited to *step right up* and get tickets for this fall cocktail party which will include an array of circus performers and aerial acrobats, a menu of circus-inspired cuisine and creative cocktails. The event will be co-chaired by Woman's Board members Elizabeth Blodgett of Lake Forest and Chicago's Holly Cortes and Abra Wilkin.

Contact the Woman's Board office, 312-926-9138, or visit wbnorthwestern.org for more information.
