### THE WOMAN'S BOARD OF NORTHWESTERN MEMORIAL HOSPITAL

*The Woman's Board of Northwestern Memorial Hospital is pleased to announce the first Summer Soirée cocktail event, Anchors Aweigh, to be held on June 7, 2024 at the Saddle & Cycle Club in Chicago. Sponsorship opportunities for the Summer Soiree provide vital support to the The Woman's Board's mission, including the most recent \$4.6M pledge to fund comprehensive reproductive care across a woman's lifetime. This pledge include commitments to:*

- Funding an expansion of the Northwestern Medicine Center for Fertility and Reproductive Medicine, which has a pressing need for additional capacity. This center supports individuals and families on their paths to parenthood. It provides personalized and compassionate care, and offers innovative, effective solutions for a wide range of conditions.*
- Endowing a Northwestern Medicine Complex Family Planning Center Fellowship, which provides patients with high-quality care in all aspects of family planning and contraception.*
- Supporting the Northwestern Medicine Women's Integrated Pelvic Health Program, which cares for patients with pelvic floor disorders.*
- Supporting ongoing programs, including the Woman's HIV Program. This interdisciplinary clinic aims to prevent mother-to-child HIV transmission and provide long-term HIV care to individuals and families affected by HIV.*
